NOTE FROM REGIONAL COORDINATORS TO FEALAC MEMBER COUNTRIES
ON THE PARTICIPATION OF EXPERTS AT THE WORKING GROUPS' MEETINGS

FEALAC CIRCULAR

TO ALL FEALAC NATIONAL FOCAL POINTS

Dear Colleagues,

As FEALAC Regional Coordinators for Latin America and Asia, Argentina and Indonesia would like to refer to the three Working Groups and the Subgroup on Tourism meetings that will be held in Buenos Aires on August 22nd and 23rd.

We would like to emphasize the importance of giving attention to experts' participation in the meetings of each Group and Subgroup, since we are convinced that it will contribute to enrich discussions.

We would like also to recall that the First Meeting report of the Subgroup on Tourism foresees "the participation of relevant tourism officers and stakeholders" in the Second Meeting (Buenos Aires). We consider that such criterion should be extended to the three Working Groups.

Therefore, all FEALAC members are encouraged to include experts on the subjects included in the respective agendas.

Finally, it would be very useful for the Argentine Republic, as host of the V FMM, to be informed of the composition of the delegations the soonest possible; thus we will be prepared to do the necessary logistic arrangements.

We look forward to receiving your comments/responses.
