NOTE FROM REGIONAL COORDINATORS TO FEALAC MEMBER COUNTRIES ON ROTATING POSITIONS

FEALAC National Focal Point,

Dear Colleagues,

As FEALAC Regional Coordinators of Asia and Latin America, Indonesia and Argentina would like to express once again our highest appreciation for the cooperation that you rendered during the 11th FEALAC Senior Officials' Meeting (SOM) in Bali, 3 November 2010. The commitment from all Member Countries will certainly contribute to the betterment of FEALAC.

We would like to bring attention from all member countries on the issue related to the rotating position as Regional Coordinator and co-chairs of the Working Groups. As discussed in Bali, the position should be rotated once in every two year period in order to give opportunity to all member countries, except when the current coordinator and chairmen are willing to retain their position and receive the agreement of all Members.

Against this backdrop, we would like to encourage all Members to take the rotating position, especially for those which have never been in the coordinator or co-chairmen before.

We appreciate Colombia's candidacy for the role of next Latin America Coordinator and Argentina's candidacy to the co-chair of the Working Group on Politics, Culture, Education and Sports.

We look forward to receiving your responses.

Attached herewith is the list of former Coordinators and Co-chairs for your perusal.
